

## Christmas Button Choker

### MATERIALS:

- Small amount of Forest Green
- H hook
- Yarn needle
- 1" button

**Row 1:** Ch5, sc in 2nd ch from hook and in ea rem ch.

**Row 2:** Ch1, turn. Sc in first sc. Ch2. Sk next 2 sts. Sc in last sc.

**Row 3:** Ch1, turn. Sc in first sc. 2sc in ch-2 sp. Sc in last sc.

Alternate repeating R2 and R3 until choker fits neck and barely overlaps. Fasten off. Using a yarn needle and same yarn, sew on a 1" button. The button should fit through one of the ch-2 spaces to secure the choker.

**NOTE:** Depending on which button you choose, you may need to use a sewing needle and a coordinating thread to attach your button. If the button is decorative you might want to wear it in front... if not just turn the choker around to hide the button.

**SOURCE:** Original pattern found [HERE](#).
